

Editorial Calendar 2007

Title: Sensors & Transducers
Format: Journal (pdf-format online, CD)
ISSN: 1726-5479
Publisher: International Frequency Sensor Association
Periodicity: 12 issues/12 months
Language: English
Addition Sponsored Issues: Yes
Circulation: 37 000+
Published since: October 2000
Geographical Area: Worldwide

Issue Date	Article Deadline	Ad-Close Date	Editorial Features	Article Type
January 29, 2008 <i>Vol.87, No.1</i>	20.12.2007	22.01.2008	Sensor Instrumentation, DAQ and Virtual Instruments	Research, applications, cover story, reviews
February 26, 2008 <i>Vol.88, No.2</i>	29.01.2008	22.02.2008	Chemical Sensors and Biosensors	Research, applications, cover story, review, feature, case study
March 25, 2008 <i>Vol.89, No.3</i>	25.02.2008	18.03.2008	Smart Sensors and Systems	Research, applications, cover story, review, feature
April 29, 2008 <i>Vol.90, No.4</i>	25.03.2008	22.04.2008	MEMS and Modern Technologies	Research, cover story, feature, special reports
May 27, 2008 <i>Vol.91, No.5</i>	29.04.2008	20.05.2008	Sensor Buses and Interfaces	Research, applications, cover story, review, feature
June 24, 2008 <i>Vol.92, No.6</i>	27.05.2008	17.06.2008	Electronic Circuits and ASIC for Sensors	Research, applications, cover story
July 29, 2008 <i>Vol.93, No.7</i>	24.06.2008	22.07.2008	Sensor Networks and Wireless Sensor Networks	Research, applications, cover story, review, feature
August 26, 2008 <i>Vol.94, No.8</i>	29.07.2008	19.08.2008	Sensors and Transducers Applications	Research, applications, cover story, review, feature, case study
September 30, 2008 <i>Vol.95, No.9</i>	26.08.2008	23.09.2008	TEDS Sensors, IEEE 1451 Standards	Research, applications, cover story, feature, special reports
October 28, 2008 <i>Vol.96, No.10</i>	30.09.2008	21.10.2008	Soft Sensors and Artificial Neural Networks (ANN)	Research, applications, feature, case study
November 25, 2008 <i>Vol.97, No.11</i>	28.10.2008	18.11.2008	Nanosensors and Nanodevices	Research, cover story, feature, special reports
December 30, 2008 <i>Vol.98, No.12</i>	25.11.2008	23.12.2008	Sensor Market Trends	Research, cover story, special reports, case study

Sponsored Issues

Since 2007 we are publishing sponsored journal issues with application specific articles, sensors and transducers principles descriptions, tutorials, market reviews, white papers, cover story, products features, information for investors, etc. Together with regular issues it will be delivered to our more than 37,000 subscribers.
